Subject: EPA Region 2 DESA Laboratory Report: Dimock Residential
Groundwater Site Project (MBAS)

I have attached the Partial Laboratory Report (in .pdf format) and the
R2EDD.xls electronic files (in R2 EQUIS and SCRIBE formats) for the Dimock
Residential Groundwater Site project accepted by the EPA Region 2
Laboratory. The report includes MBAS analysis results for the samples
collected on 1/30/12 and 1/31/12. The Laboratory received the samples on
1/31/12 and 2/1/12. The data have been validated by the Laboratory. The
report is identified as Project #1201028.

We will continue to provide partial reports based on each new sample
receipt. A final report will be sent upon completion of the project.

Please let me know if you have any questions.
